**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive internet provider for value and reliability. broadband allows me to be more productive when I work from home.

Keep competition to help keep consumer prices down. The US market for broadband is much more expensive than for our global competitors.

let's keep America globally competitive.
